

# SUPERFAST RURAL BROADBAND

**MVF are pleased to announce that we have partnered with Airband, an independent internet service provider.**

Airband are family-founded, specialising in bringing high speed broadband in rural, and hard-to-reach areas that often struggle with having internet in their homes and businesses.

Airband are determined to help overcome the UK's digital divide. Since 2009 it has grown to become one of the UK's leading hybrid internet service providers, with fibre and wireless networks spanning 15 counties in England and Wales including Devon.

To find out if Airband can reach your premises and to take advantage of our market-leading, exclusive to MVF members rates, please call us on 01769 576415.

*Airband offer is valid until 31.12.21*

# SAVE £££ ON YOUR FUEL BILLS

**Fuel Cards are a great way to save money when filling up at the pumps.**

We can offer our members access to these savings with our carefully selected partner, The Right Fuel Card Company, who provide our members with award winning service, fuel card expertise and offer you a range of choice to suit your individual needs.

## Why buy a Fuel Card?

- Savings to be made when filling up at the pumps
- The only cost is 50p per card, per month
- No minimum requirements; no low use fees; no contracts and no hidden costs
- Our Fuel Cards can be for both business and/or personal use
- HMRC approved invoicing
- Monthly invoices with payments collected by Direct Debit, so it's hassle free
- You will have access to FREE online account management

**For more information on our Fuel Card range, speak to our dedicated, friendly fuel team on 01769 576201 or alternatively call The Right Fuel Card Company on 0113 202 5110, quoting your MVF membership number.**

*This saving was calculated using September 2021 costs on diesel.*

**Average saving is 7 pence per litre with a Fuel Card!**
